President Standifer is available for the call and I am as well. My work is an Advisor to NVT on issues pertaining to the proposed Chuitna Coal Mine. I am helping coordinate all the Government to Government meetings with federal and state entities and I am coordinating with Julia the Tribal Administrator and the Council. Greetings Everyone!

I'm writing to confirm that Jamey Stoddard (EPA's Chuitna Project Manager), Tami Fordham (EPA's Alaska Tribal Resource Extraction Policy Advisor), and myself (EPA's Tribal Coordinator for Southcentral Alaska and Tribal Specialist for the Office of Ecosystems, Tribal, and Public Affairs) are all available for a short teleconference next Tuesday July 26 at 12:00 noon Alaska time.

The purpose of the call is to discuss goals and expectations for government-to-government consultation between EPA and the Native Village of Tyonek on the proposed Chuitna Coal Project. Another thing we need to do, that should help streamline the process, is to establish who will serve as primary points for EPA and the Native Village of Tyonek in future planning for this consultation.

Tuesday July 26, 12:00- 12:30 AK
Conference Line: [REDACTED] Non-Responsive

Please use the conference line and code above to call in on Tuesday. I hope everyone has a great weekend, and I look forward to talking with most of you next week!
